

Tallawong Park Little Athletics Centre

For season 2026/27 we will ask a parent/guardian/supporter of **each registered athlete** to assist our club for a **minimum of 4 volunteering sessions**. **You will need to complete 3 of these sessions prior to the Christmas break**. All age groups will be required to assist on the BBQ on a rotational basis (which will count towards your tally).

Assistance on behalf of your athlete is required to ensure they are eligible to compete at Championship Day in February 2027.

This year, you will need to scan the QR code **each time** you assist at an event. The age manager will have the QR code to scan on completion of the event. Please don't forget to complete this step as your assistance will not be recorded without it.

Anybody supporting your athlete can volunteer – it does not have to be the same person just a minimum of three sessions per athlete.

Most volunteering sessions run 15-30 mins.

You become an active participant in your child's athletic development.

Your children and the club will benefit and appreciate your commitment.

Evenings will run smoother and faster if we all pitch in and help.

All volunteering sessions will go into the draw for a prize at the end of the year. The more you volunteer, the better your chances of winning!

Some examples of the volunteering tasks required – no experience necessary... on the job training provided... it is fun!

- Place judging in the straight runs (track events)
- Measuring and recording heights and distances (field events)
- Raking the sand (long jump/triple jump)
- Set up/pack down hurdles
- Canteen
- BBQ

Come down and ask one of our friendly committee members how you can assist on the night. First come – first served!
